The industry exceeded estimate of production in Week 6.

NW MI - A pretty big week to follow 4 & 5. A number of handlers indicated additional production in Wk 7. They did not venture estimates of volumes.

WC MI - This should be the last report except for corrections.

SW MI - Done except for corrections and adjustments.

NY - Done except for corrections and adjustments.

OR - Not quite done. There will be some reported in Wk 7.

PA - Done

UT - Done except for corrections and adjustments.

WA - Done except for corrections and adjustments.

WI - Had a large week. More harvest to be reported in Wk 7.

NOTE: Still very few in-orchard diversions.
